

*St. Bartholomew Catholic School Presents:*

# The Bulldog Bugle

*March 8, 2024*

## Classroom Peek

**Preschoolers** finished learning about the Letter Rr this week. They are enjoying the sunny days outside and have begun a new theme of study - WEATHER!

**Kindergarteners** are embracing the spirit of almsgiving during Lent! It is heartwarming to watch their enthusiasm for showing compassion and empathy for one another.

**First Graders** are looking forward to have chicks in their classroom. They will start their eggs in an incubator and the chicks will hatch in the beginning of May.

**Second Graders** have been exploring the Bible through stories while keeping busy learning to write in cursive!

**Third Graders** have formed a strong classroom community! In math they are loving mastering the concept of elapsed time.

**Fourth Graders** are in the thick of their US regional studies and gearing up for the States Fair in May! They are enjoying learning new facts about their state and being independent doing their work.

**Fifth and Sixth Graders'** week-long camp experience at Eagle Bluff drew the students closer as classes while they explored nature, learned environmental concepts, built team work skills, and much more.

(check out page 3 to read more and see pictures!)

## picture spotlight Eagle Bluff

Highlights from the trip include classmates cheering for one another as ALL of the kids made it through the high ropes course, holding snakes, night hike during the snow storm, archery class, GPS class while taking in views of the bluffs, rock climbing, building shelters and fires in survival class, and lots of laughs throughout the week. It was an unforgettable outdoor adventure!
