Join Us for Our School Rake-a-Thon Service Project!

Our students are heading outdoors to serve our local community, and we need your help! On Wednesday, November 4, from 12:30 p.m. to 3:00 p.m., our school will be participating in a Rake-a-Thon.

This event is purely a service project—we are not collecting donations or fundraising. Instead, our goal is to put our values into action by raking and cleaning up lawns for our parish and local elderly parishioners who need an extra hand this fall.

How Parent Volunteers Can Help: To make this event safe and successful, we are looking for parent volunteers to assist with:

- Supervising small groups of students as they work.
- Bagging leaves alongside our student teams.

If you are available to lend a hand for a fun afternoon of fellowship and community service, please let us know! Please remember that you need to complete the Virtus and background check process to volunteer with students.

Thank you for supporting our students as they give back to our parish community!
