Our Library got a BIG BOOST!

A massive thank you to all the incredible families who donated books to our school library! We are absolutely thrilled to announce that our shelves are now home to 20 fantastic new titles! What a wonderful gift for our students. We're already busy getting these amazing additions ready! Soon, the new books will have special book plates added and will be processed. Once that's done, I can't wait to share them with the students, and they'll be ready to be checked out!

Heads Up: Transportation Needed on Wednesday, October 15th

We wanted to give you a quick reminder that Wednesday, October 15 will be our first designated Drive Day of the school year. Please note that there will be no bus service available, so we ask that you plan to drop off and pick up your children on this day. Drop off is from 8:15 - 8:30 a.m. Please do not park in the drive lane and walk your child up. Park in a designated parking space for everyone's safety. Pick up is at 3:30 p.m. If you need Clubhouse, please contact the office and we can help.

We know that five drive days is a bit unusual for St. Bart's! As was shared last year, these drive days are part of a plan to allow our staff to attend the National Catholic Education Association conference in Minneapolis this spring, which in turn allows us to give them a slightly longer Easter/Spring Break. Thank you so much for your partnership and understanding—we always appreciate your support! -Mrs. Vance
