Rake-a-Thon Service Event 2025!

Please join us for our annual act of service to our church and neighbors!

What is Rake-a-Thon?

Rake-a-Thon is a morning of service for all grades preschool through 5th grade! Students bring a rake from home if they have one, their outdoor gear, and a heart to serve, and work together to help clean up our grounds and the homes of our nearby community members each fall.

Parents - we would love to have parent volunteers in each class! If you are able to come help rake, or if you have a truck and can bring bagged leaves to the Wayzata compost center down Wayzata Boulevard, please sign up [HERE!](#)

Notes from Principal Vance

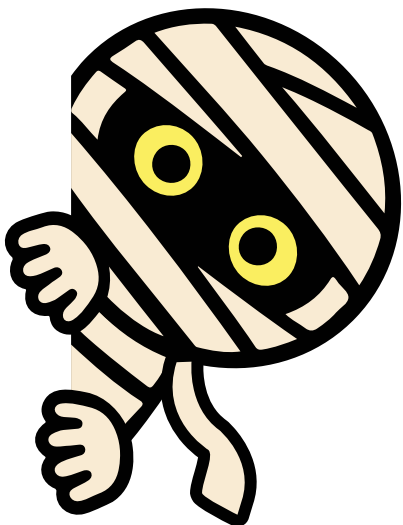

Get ready—conferences and our dedicated teacher workshop time are just around the corner!

I welcome the opportunity to connect with you. If you'd like me to attend your child's conference or just want to chat, please know you can drop by the office any time.

And don't forget to check out the future of our recess time! When you enter the Narthex for conferences, please stop by to see the **new playground drawing!** Lynn Arnal and Marilyn Nelson will be on hand to share all the exciting details about this wonderful project.

Halloween 2025!

Once again this year our students will be parading at Folkestone for our elderly neighbors and friends.

Your student may wear Halloween Colors instead of the uniform, and may bring a non-scary halloween costume to school on Friday the 31st. Please leave the face paint, fake weapons and masks at home! We look forward to a fun day. Look for class-specific communications from your teachers!
