Honoring Our Heroes:

Invitation to the Veterans Day Mass and Photo Tribute

Dear School Families and Staff,

As we approach Veterans Day, our school community is preparing to hold a special Mass on **Wednesday, November 12th, at 9:00 a.m.** to honor the courageous individuals who have served and continue to serve in the United States military. We warmly invite all of our families and staff to join us for this meaningful celebration of service and sacrifice.

A Special Tribute to Your Loved Ones

To make this Mass truly personal and deeply reverent, we would like to once again create a tribute display featuring the family members of our students and employees who are veterans or currently serving military personnel. We want every family to know that we hold the service of their loved ones in the highest regard. We consider it a great privilege to publicly honor them for their dedication and commitment to our country. **If you have a family member who has served or is currently serving, we invite you to share a photograph with us.**

Please email a photo to Mrs. Vance (gvance@st-barts.org) and submit the following information along with the photo:

1. A **digital photo** of the service member.
2. The **full name** of the service member.
3. The **relationship** of the service member to your student.

Please send your photo and information by November 6th so we have time to prepare the presentation.

Thank you for helping us make this a truly memorable and respectful tribute!
