FINANCIAL ASSISTANCE

We look forward to welcoming you and your child, answering your questions, and helping you see the community and opportunities that await you at St. Bartholomew Catholic School. A Catholic education costs less than you think and gives back more than you know. We are dedicated to making this happen for your family.

Tuition can be offset, if needed, through tuition assistance and/or scholarships. A tuition assistance fund, supported by our parish community and friends of St. Bartholomew School, exists to help families who would not otherwise be able to meet their tuition obligation. Assistance is available to families who apply and qualify.

In addition to our tuition assistance fund, The Aim Higher Foundation awards \$1,000 student-based scholarships to our K-5 students from families with demonstrated financial need. Once a student is awarded the scholarship, he/she will continue to receive \$1,000 each year at St. Bartholomew School if the yearly financial aid application demonstrates need.

Families are encouraged to apply for assistance in our TADS school management system when completing registration for the school year.
